

# We are giving away \$10,000 a week!

## Give 52

Australia is a giving nation. We generously support our charities, clubs, school and local communities. However, our giving efforts is not a conversation we normally share. Give 52 aims to change this.

Let's talk about giving at home, work or socially.

Give 52 is about embracing Australia's generous nature and helping people create a weekly, monthly or annual giving plan.

Experience the great satisfaction and enjoyment as a regular donor.

## Our Story

In 2018 Anton & Jenny Gaudry set up their own family foundation, the Gaudry Foundation. The question was, with so many great causes, who to give to? Everyone was the answer. So, in 2020, Anton & Jenny will visit:

# 52 charities over 52 weeks

Why? Philanthropy offers a real sense of satisfaction from being able to help the community. It is this sense of enjoyment all Australians can experience. Anton & Jenny thought, someone needed to start the conversation.

## Our 52 Charities

Anton & Jenny's aim is to visit 52 charities in 52 weeks. *Give like crazy* they say. Listed below are some of the 52 charities the Gaudry Foundation ('Give 52') will be supporting in 2020. Charities may apply to be part of the program at [give52.org.au](http://give52.org.au)

## Donate

Our aim is to encourage Australians to donate to their favourite charities. Give 52 does not accept donation, we simply want to tell the giving story. To set up a giving plan, visit the website of your favourite charity or use a giving app, such as Shout for Good.

# Shout.

## BHAG

What's a BHAG? It's a 'Big Hairy Audacious Goal'. Ours is to give away \$520,000 across 52 charities in 52 weeks. But, we are looking for 'copy cats'.

Our real BHAG is for 52,000 Australians to also start a giving plan and for 52 Australians to set up their own family Foundation (of \$1M or more each). Now that's a BHAG! Find out how at [give52.org.au](http://give52.org.au)

## What our Charities Think

Jenny, Sasha & Anton

“It was great to meet with Anton & Jenny and receive their generous donation of \$10,000. Theirs is a great message, and we encourage all Australians to support a cause they are passionate about.”

Sasha Lawrence, CEO The Reach Foundation
